## President's Message

Hopefully, all had a nice summer. It seemed that this summer was warmer than usual. Climate change has certainly had a major impact on weather around the world.

It was so nice to see so many of you at the Fall Luncheon. I hope that all of you had a good time. I think that the Classics V did a good job. It was the first time that BRTA held a luncheon there in many years. Thank you for your support of the split club. The money will be used to support the scholarship fund.

The Holiday Luncheon will be held at Salvatore's. It's hard to believe that the holiday season is fast approaching. I hope that many of you will be able to attend. Information can be found on the reverse side of this note.

Remember that November is the month that you can change your health care plan. Medicare and Medicare Advantage are not the same. Make sure that the plan that you choose meets your needs. Look carefully at the specifics of the plan before you make a change'

I apologize for this shortened newsletter. It was necessary to allow sufficient time for members to register for the Holiday Luncheon. I hope to see many of you at the luncheon. Until then, stay well and take care.
